BRITE TOUCH
METAL POLISH

Effortlessly cleans and polishes producing a brilliant shine, leaving a protective coating on brass, copper, aluminum, chrome, stainless steel, silver and fiberglass. Ready to use. Rub on and rub off. Polishes and cleans without hard rubbing and harsh abrasives.

DIRECTIONS

SHAKE WELL BEFORE USING.

Metals: Apply polish by saturating a clean, soft terry cloth towel. Rub polish lightly onto the metal surface until a black residue appears. While still wet, buff off black residue with a clean terry cloth towel to a high luster. Hard rubbing is not required. For large areas, polish may be applied with a paint brush.

Fiberglass: Rub polish lightly onto the surface, let dry, then buff off residue to a shine.

WARNING

Keep out of reach of children. May be harmful if swallowed.
Causes mild irritation to eyes & skin. Causes serious eye damage.

Response: If Swallowed: Do not induce vomiting. Rinse mouth. Immediately drink 1 to 2 glasses of water or milk. Never give anything by mouth to an unconscious person. **Call a physician or poison control center immediately.**

in Eyes: In case of contact, immediately flush thoroughly with plenty of cool running water. Remove contact lenses if worn. Continue flushing for at least 15 minutes holding eyelids apart. If irritation persists, get medical attention promptly. **If on Skin (or Hair):** In case of contact, immediately flush thoroughly with plenty of cool running water for at least 15 minutes. Immediately remove contaminated clothing and shoes. Wash prior to reuse. **If Inhaled:** If discomfort is experienced from exposure to spray mist, the person should employ respiratory protection or leave the contaminated area until proper ventilation is restored. Breathe fresh air. If irritation persists, get medical attention.

Prevention: Do not breathe vapors. Wash skin and eyes thoroughly after handling. Wear protective gloves and clothing, and eye and face protection. **Disposal:** Dispose of contents and container in accordance with local, state and federal regulations. **Storage:** Store in a cool, dry, well-ventilated place.
